

Melvin Pang

Administration & Operations Manager

Fifteen years running offices, people and properties across Malaysia, Cambodia and Southeast Asia. I opened two offices on US\$800,000, ran HR and payroll for about 1,000 staff, and kept 200+ properties on a 15-minute response.

Seeking	Markets	Based
Administration, Operations or Facilities Manager	Malaysia · Cambodia · New Zealand (AEWV work-visa sponsorship)	Phnom Penh · Malaysian · Cambodia work permit held

For five years I was the person management briefed first: staff records, foreign work permits, senior travel and the budget for the next office. Before that I ran a resort with full P&L and a 200-property short-stay portfolio. I work in English and Mandarin, so instructions arrive intact.

Four results I can evidence

0 working days lost to lapsed permits	150+ foreign employees, every permit renewed in time <i>What I did</i> Tracked every work permit and visa in a renewal tracker that flagged each one about 60 days ahead, and handled submissions with the authorities.	<i>Result</i> In four years, none of 150+ foreign employees lost a working day. Payroll for about 1,000 staff ran on time, every cycle.
US\$800K capital across two offices	Two offices opened on budget and on time <i>What I did</i> Sourced the sites, negotiated the leases, planned layouts and ran fit-out, furniture, equipment and procurement through to opening. Found and furnished staff housing.	<i>Result</i> Both offices opened on budget and on time, on capital budgets of US\$300,000 and US\$500,000.
15 min incident response, 24/7	Every incident answered within 15 minutes <i>What I did</i> Led an operations team of 10–20 across check-ins, turnarounds, housekeeping and security standards, and carried the 24-hour escalation phone for guests, owners and site teams.	<i>Result</i> Every incident answered within 15 minutes for three and a half years, while the portfolio grew from under 100 to 200+ properties.
80%+ average occupancy	A boutique resort run with full P&L <i>What I did</i> Set the budget, owned revenue and costs, and ran rates and distribution on Cloudbeds, Booking.com, Agoda, Expedia and Traveloka, with a team of 20 across seven departments.	<i>Result</i> Averaged 80%+ occupancy, and kept the property maintained and upgraded through the 2020–21 lockdown closures.

Fifteen years, *in order*.

2021 – 2026	HR Recruitment & Administration Manager Regional trading group, ~1,000 staff · Cambodia, Philippines, Singapore · name on request <i>Also Visual Marketing Team Lead from 2024</i>	- Year one: full HR and administration for about 1,000 employees. Then four years as sole HR business partner: recruitment (about 30 hires a year), payroll, appraisals, work permits and confidential files. - Opened the Philippines (2022) and Singapore (2024–25) offices, from site search to opening day. - Ran the company fleet, asset register, business licences and insurance; reported weekly to the founder and managed an operating fund of over US\$50,000 a month. - Delivered a 2025 company convention in Vietnam for about 1,000 attendees, on budget and with no major incidents. - From 2024, led a visual marketing team of 2–3: a bilingual product campaign, print, brand video and an AI-built client website. - Quality-checked a seven-language technical publication against the Chinese master; caught a missing page before print.
2019 – 2021	General Manager The Acres Resort · Prunus Hotels · Malaysia	- Ran the 15-key resort end to end, reporting directly to ownership. - Owned rates and distribution on Cloudbeds, Booking.com, Agoda, Expedia and Traveloka. - Delivered weddings and corporate events; worked the kitchen and housekeeping when short-staffed.
2016 – 2019	Operations Manager GOGOTEL Hospitality · Klang Valley, Malaysia	- Ran day-to-day operations across the short-stay portfolio as the 24-hour escalation contact for guests, teams and owners. - Housekeeping and security standards, HR, sales, finance, PMS and online booking channels.
2009 – 2015	Earlier roles Sales, Apple specialist, IT support, administration, print supervision	- Supervisor, Oug Print (2014–2015): print schedules, staffing, quality, hiring and appraisals. - Administrator, Mong Fook (2014): stock records and delivery orders. - Helpdesk Support, Machines, Apple Premium Reseller (2013–2014). - Apple Sales Specialist, Harvey Norman (2012–2013): demos and reseller team training. - Sales Supervisor, Challenger IT Megastore (2009–2011).
Education	SPM, SMK Sri Sentosa, 2010 Apple Champion Program, Apple Malaysia, 2013 · Self-directed AI visual creation and web builds since 2025	- Tools: Excel (payroll models) · Google Workspace · Cloudbeds PMS · Booking.com, Agoda, Expedia · Premiere Pro · CapCut · ChatGPT · Claude · Google Flow
