Melvin Pang

Administration & Operations Manager

Fifteen years of work, the last ten running operations, people and properties across Malaysia, Cambodia and Southeast Asia. I opened **two offices on US$800,000**, ran **HR and payroll for about 1,000 staff**, and kept **200+ properties on a 15-minute response**.

Seeking	Markets	Based
Administration, Operations or Facilities Manager · Hotel or Resort General Manager	Malaysia · Cambodia · New Zealand (needs employer-sponsored AEWV)	Phnom Penh · Malaysian · Cambodia work permit held

For five years I was the person management briefed first: staff records, foreign work permits, senior travel and *the budget for the next office.* Before that I ran a resort with full P&L and a 200-property short-stay portfolio. I work in English and Mandarin, so instructions arrive intact.

Four results I can evidence

0
working days lost to lapsed permits

150+ foreign employees, every permit renewed in time

What I did
Built a renewal tracker from scratch: a 60-day alert to prepare documents and funding, a 30-day deadline to submit, and a passport-validity check. I handled every submission with the authorities.

Result
In four years, none of 150+ foreign employees lost a working day. Payroll for about 1,000 staff ran on time, every cycle.

US$800K
capital across two offices

Two offices opened on budget and on time

What I did
Sourced the sites, negotiated the leases and ran the renovations. Planned the floor layouts and furnished both the offices and the staff housing, with equipment and procurement through to opening day.

Result
Both offices opened on budget and on time, on capital budgets of US$300,000 and US$500,000.

15 min
incident response, 24/7

Every incident answered within 15 minutes

What I did
Led an operations team of 10–20 across check-ins, turnarounds, housekeeping and security standards, and carried the 24-hour escalation phone for guests, owners and site teams.

Result
Every incident answered within 15 minutes for three and a half years, while the portfolio grew from under 100 to 200+ properties.

80%+

average occupancy

A boutique resort run with full P&L

What I did

Set the budget, owned revenue and costs, and ran rates and distribution on Cloudbeds, Booking.com, Agoda, Expedia and Traveloka, with a team of 20 across seven departments.

Result

Averaged 80%+ occupancy, and kept the property maintained and upgraded through the 2020–21 lockdown closures.

The record, *in order.*

Sep 2021 – Aug 2026

HR Recruitment & Administration Manager

Regional trading group, ~1,000 staff · Cambodia, Philippines, Singapore · name on request

Also Visual Marketing Team Lead from 2024

- Year one: full HR and administration for about 1,000 employees. Then four years as sole HR business partner: recruitment (about 30 hires a year), payroll, appraisals, work permits and confidential files.
- Opened the Philippines (2022) and Singapore (2024–25) offices, from site search to opening day.
- Ran the company fleet, asset register, business licences and insurance; reported weekly to the founder and managed an operating fund of over US$50,000 a month.
- Delivered a 2025 company convention in Vietnam for about 1,000 attendees, on budget and with no major incidents.
- From 2024, led a visual marketing team of 2–3: a bilingual product campaign, print, brand video and an AI-built client website.
- Quality-checked a seven-language technical publication against the Chinese master using AI tools; caught a missing page before print.

Oct 2019 – Aug 2021

General Manager

The Acres Resort · Prunus Hotels · Malaysia

- Ran the 15-key resort end to end, reporting directly to ownership.
- Owned rates and distribution on Cloudbeds, Booking.com, Agoda, Expedia and Traveloka.
- Delivered weddings and corporate events; worked the kitchen and housekeeping when short-staffed.

Mar 2016 – Oct 2019

Operations Manager

GOGOTEL Hospitality · Klang Valley, Malaysia

- Ran day-to-day operations across the short-stay portfolio as the 24-hour escalation contact for guests, teams and owners.
- Covered housekeeping and security standards, HR, the PMS and online booking channels.

2009 – 2015

Earlier roles

Sales, Apple specialist, IT support, administration, print supervision

- Supervisor, Oug Print (2014–2015): led a team of 10+ on print schedules, quality, hiring and appraisals.
- Administrator, Mong Fook (2014): stock records, delivery orders, and deliveries when short-handed.
- Helpdesk Support, Machines, Apple Premium Reseller (2013–2014).
- Apple Sales Specialist, Harvey Norman (2012–2013): demos and reseller team training.
- Sales Supervisor, Challenger IT Megastore (2009–2011): led a sales team of 5+.

Education

SPM, SMK Sri Sentosa, 2010

Apple Champion Program, Apple Malaysia, 2013 · Self-directed AI visual creation and web builds since 2025

- Tools: Excel (payroll models) · Google Workspace · Cloudbeds PMS · Booking.com, Agoda, Expedia · Premiere Pro · After Effects · CapCut · ChatGPT · Claude · Google Flow
